5. VENUE

Attachment 'A' shows the location of Giant Slalom course.

6. THE COURSE

The course to be skied will be "Left-Right" turns configuration between blue and red gates, from start to finish.

7. SCORING

The Special GO Skiing – GO Sailing scoring will be taken into account to declare the winner of the Combine event.

The Skiing score will consist of the final official result based on time measured at Giant Slalom course.

The Sailing score will consist of the final official result in one of the series (Pokal Val Navtika for Seascope 18 or Open Slovenian Championship for Fireball).

If the Sailing Team consists of more than 2 sailors, only their 2 best results will count.

The Combine result will consist of Skiing score of single team member plus the Sailing score of single team member.

Example: 35 skiers participate to the event (DNF/DNS is 36 points), 10 teams participated to Val Navtika regatta. The participants of the sailing team finished 11th, 17th and DNC in skiing and 6th in sailing, so combined score for the Team would be: 11 + 17 + 6 + 6 = 40 points.

8. PRIZES

The following prizes will be awarded:

- perpetual Trophy for the "GO Skiing – GO Sailing" Winner,
- top 3 overall skiers from each sailing class will be awarded,
- top 3 overall Teams of combined winners from each sailing class will be awarded.

Special prizes might be awarded.

9. INSURANCE

Competitors participate entirely at their own risk. The organising authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during or after the event. So, be insured.
